Atelier d'art du métal, fait main à Marrakech

PORTFOLIO

THE ATELIER · L'ATELIER

Tradition, skill and innovation, *shaped by hand.*

Craftsmanship honed by years of experience with the top names in metalwork. Each piece is handcrafted, showcasing mastery of the metal, and can be customised to meet your needs. Tradition, skill and innovation come together to create unique objects.

Artisanat d'excellence, forgé par des années d'expérience chez les plus grands artisans de la dinanderie. Chaque pièce, façonnée à la main, reflète la maîtrise du métal et peut être personnalisée pour répondre à vos besoins.

SAVOIR-FAIRE

Made entirely *by hand*

Our team brings together exceptional craftsmen, each of whom honed their skills with the best in the field. With passion and precision, we work together to turn every project into a unique piece. Every product is entirely handmade, drawing on ancestral techniques passed down through generations, so our clients receive authentic and lasting creations.

Toutes nos créations sont faites à la main, s'inspirant de techniques ancestrales transmises de génération en génération.

— Precision in sawing

Our artisans hand-cut each metal piece, following the traced lines with steady movements, for perfect fidelity to the original design.

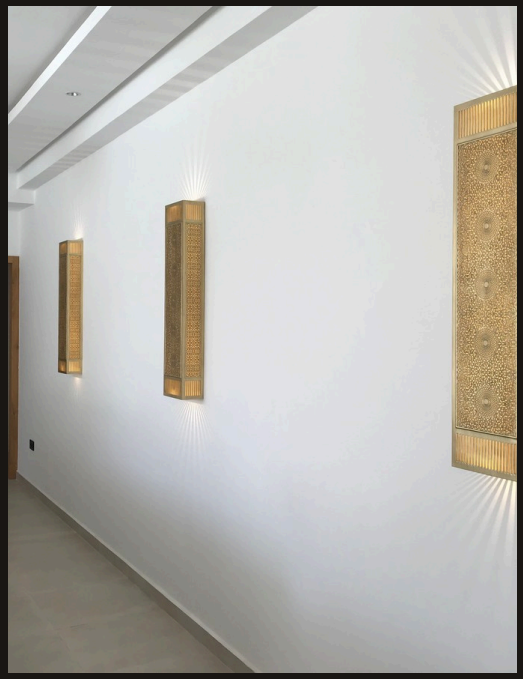

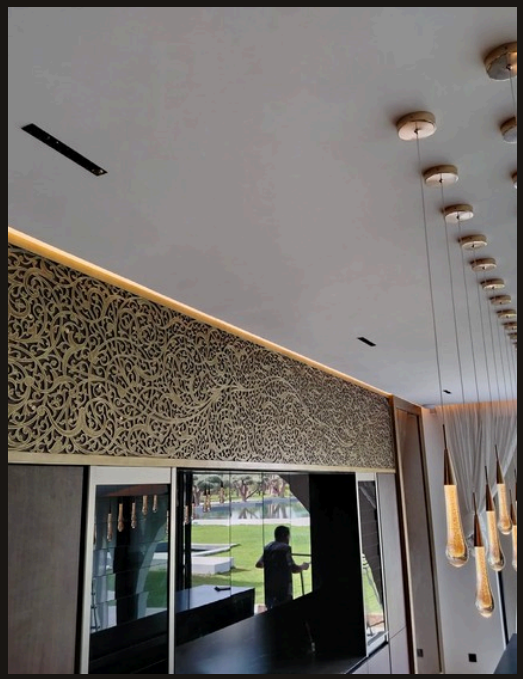

OPENWORK & LIGHT

Métal *ajouré*

This intricate metalwork showcases the richness of Moroccan craftsmanship, blending tradition with modernity. Detailed patterns, enhanced by soft backlighting, add an artistic and refined touch to any space.

Les motifs complexes, sublimés par un rétroéclairage doux, apportent une touche artistique et raffinée à tout espace.

TRADITIONNEL

The heritage *of the dinandier*

A meticulous craft passed down through generations, expressed in every detail.

Un savoir-faire minutieux, transmis de génération en génération.

FONDERIE · FOUNDRY

Hardware *as sculpture*

Door pulls and handles from our foundry, each finished by hand and made to your specification.
